WHO WE ARE:

- For six years, Neat Nelly Cleaning Services has masterfully curated cleanliness, intricately designing personalized cleaning experiences for your home and office. Our commitment extends beyond mere tidiness; we strive to create a canvas of health and vibrancy in each space, meticulously tailored to fulfill your preferences.
- We provide a complimentary evaluation and a personalized, on-site inspection to discern the distinctive needs of your cleaning service. Our adaptable pricing considers variables such as property dimensions, configuration, preferences, specific requirements, and the frequency of cleaning. This ensures a customized and transparent fee structure that aligns seamlessly with your expectations.
- We offer you the flexibility to choose your preferred cleaning supplies, allowing you to opt for our supplies or provide your own with prior notice. Booking with us is a seamless process, allowing you the luxury of savoring your free time while we attend to the meticulous care of your home and office.
- Our extensively trained cleaning professionals, certified and trustworthy, undergo comprehensive background checks and are adaptable to fit seamlessly into your hectic schedule. This ensures a level of professionalism and dependability in every service we deliver.
- We take pride in our prompt responsiveness, guaranteeing the dispatch of a cleaning expert to your property within 24 hours. Our commitment is to provide a superior service crafted precisely to meet your specifications. Our team undergoes meticulous training to clean with unparalleled attention to detail.
- We prioritize clear and open communication, ensuring our clients are well informed and actively engaged throughout the cleaning process.
